**WYLAM PARISH COUNCIL
2020/21 HALF-YEAR FINANCIAL AUDIT REPORT**

I have examined the Statement of Accounts to 30 September 2020 and find the Parish Council's accounts and audit trail are satisfactory. I have also examined the Parish Council's internal audit procedures with regard to financial controls and accounting procedures and risk management control and conclude that the internal control objectives are adequate and effective.

W F PHILLIPS
(Internal Auditor)
